

King Estate Winery – Wine Production / Harvest Internship

The internship will focus on a multitude of wine production related activities. Students or graduates will work mostly through the period of time during the **2019 Harvest (August – November)**. The internship requires a flexible schedule and may include nights and weekends. Additional details outlined below:

Essential duties and responsibilities:

- Wine movement operations, including barrel work, wine transfer setup, etc.
- Yeast inoculations, fermentation cap management, nutrient additions
- Operation of processing equipment (filtration, press operation, pumps, etc.)
- General winery sanitation duties
- Bottling related activities
- Forklift operation for fruit reception and processing

Job requirements:

- Qualified students will be enrolled in Enology, Food Science, or similar program
- Strong written and verbal communication skills required
- Must be highly organized, detail oriented and able to multi-task
- Basic computer skills in MS Excel, Word and database systems
- Requires work schedule flexibility during harvest months
- Must be able to lift 50 lbs and able to stand for long periods of time
