

Cellar/Packaging Employee

Bauman's Cider Company is seeking a full-time cellar/packaging employee for immediate hire. This is an opportunity to become an integral part of a small team at a growing company. We are looking for someone who is ready to learn, be creative, and bring a positive attitude to our cidery! People from all genders, ethnicities, orientations, and cultural backgrounds are encouraged to apply.

Bauman's Cider Company is a small craft cidery located at Bauman's Farm & Garden in Gervais, Oregon. The cidery was founded in 2016 by Christine Walter, reviving the cider making practices first started by her Great Grandpa Stephen during the farm's early homestead days. Now, we work hard to create new and exciting ciders for the modern era, as well as traditional small batch ciders.

Primary Duties:

The Full Time Cellar/Packaging employee will learn a wide variety of cidery practices. Every day will be different than the last, but in general the right candidate will receive training to work alongside the other team members to safely, sanitarilly, and efficiently complete the following tasks, always upholding our standards of quality:

- Cleaning/Racking kegs
- Assisting with bottling and packaging runs
- Daily facility organization & cleaning
- Processing fresh fruits (e.g. pureeing fruit, pitting peaches, etc.)
- Preparing/packaging orders to ship
- Forklift Operation
- Assisting cider makers with various tasks
- Orchard work
- Festival/Event help
- Checking in on the petting zoo/responding to panicked customers about goat escapes

Required Skills/Experience:

- Must be at least 21 years of age
- A love of cider and working in a fun, team-oriented environment
- A dedication to quality and detail
- Ability to follow the safety requirements
- Must be self-motivated and thorough in their work
- Strong communication skills
- High ability to multi-task and work efficiently in a fast-paced, dynamic work environment
- Ability to work in a team as well as independently
- Desire to learn and take on new responsibilities
- Problem solving skills

Physical Requirements:

- Standing/Walking for long periods
- Crouching, bending, reaching, grabbing
- Lifting 55 pounds and moving (rolling, hand trucking) 160 pound kegs unassisted.
- Ladder use
- Close and distance vision are necessary to perform this job
- Candidates must be able to work in a sometimes wet and hot or cold environment

Compensation:

\$17/hr, paid time off, healthcare, and matching 401k after 90 days.

A performance review will be conducted 6 months from the new hire's start date, at which point an increase in compensation will be possible.

To Apply:
