

### **J. Scott Cellars - Harvest intern**

J. Scott Cellars in Eugene, Oregon is looking for a motivated candidate who wants to learn every aspect of winemaking. We make over 25 different varietals and have our own bottling line. We source fruit from Oregon and Washington and have distribution in 4 states. The job duties include crushing and pressing of grapes, fermentation monitoring, tank and equipment cleaning, forklift training, working on the bottling line, use of pumps etc. If interested, lab training and off site event sales are possibilities as well. The position pays \$15-\$18/ hr DOE. This can be a harvest internship/a part time position/ or a full time position.

Resumes or interest letters can be sent [jonathan@jscottcellars.com](mailto:jonathan@jscottcellars.com) To view our current wines, visit our website at [jscottcellars.com](http://jscottcellars.com)
