9/10/19

Job Description (or email a PDF job description to contact@chemeketacellars.com)

J.K. Carriere in Newberg, Oregon, seeks a harvest cellar worker for the fall 2019 crush. We need both your head and hands, including wine cellar and mechanical aptitude as demonstrated by your multiple harvest stints, or better yet, 2-3 year of experience. We're about immersive, full-on growing/building high-acid reference Oregon Pinot noir. Nuts & bolts: - Start around Sept 1 (possibly earlier if it works out), likely through late October, minimum - Team player, willing to do whatever is needed. - Primary tasks: Managing/sorting fruit, juice sampling, punchdowns, cleaning & sanitizing, press management, barrel washing, and taking a turn helping with meals. Extra consideration for: - Mechanical aptitude - Forklift skills - Vineyard experience Must: - Be able to lift, pull, push 50 lbs - Stand for long periods on concrete (up to 12 hrs) - Be prepared for long hours (and overtime pay!), including evenings & weekends - Have own transportation, own lodgings - Have sense of humor, even when dog-tired (gallows humor acceptable) Tell us in one paragraph in an email or your cover letter why you want to join the JKC team this fall, and please attach your CV/resume. Hourly rate commensurate with experience.
