

Position: Harvest Intern

Position Overview: Pallet Wine Company, a custom crush facility in Medford, Oregon, is seeking a full-time, high spirited and motivated harvest intern for the 2021 harvest season. This position will begin in September and finish late November. The harvest intern will work side by side with the Enologist and Winemaking Team to ensure a smooth and efficient harvest.

Duties/Responsibilities:

- Assist in organizing harvest logs and accurately documenting tonnages from weigh tags.
- Aid in monitoring all fermentations in tank, barrel, and bins.
- Check sugar levels (degrees Brix) and temperatures of all fermentations daily.
- Perform initial tests including checking pH, titratable acidity, volatile acidity, and conducting enzymatic tests for primary amino nitrogen.

Qualifications:

- A high school diploma or equivalent is required. Having/pursuing a B.S. in Chemistry, Enology, Fermentation Science, or related field is highly desired.
- Well organized
- Excellent communication and computer skills
- Be able to work independently and as a team
- Work extended and flexible hours including evenings and weekends
- Must be able to perform physical work, work in outside environment and lift 50 pounds.

Send resumes as well as a brief cover letter to emily@palletwine.com by August 15th, 2021.
