

Purple Hands Winery is looking for experienced interns to join our team for the 2020 harvest. PH produces 5,500 cases annually.

This is a seasonal position that will start in late-August and finish in mid- November. Ideal candidates will have worked at least one or more harvests before. They will be energetic, dependable, passionate about making world class wines, and will have or be pursuing an enology and viticulture degree (or other applicable degree).

Job duties will include grape receiving, sorting, crushing, pressing, racking, punch-downs, barrel prep/filling, winery sanitation, lab work, vineyard sampling, and other general winery operations. Candidates must be flexible to work overtime, weekends, and must be able to lift and carry up to 50 lbs. repeatedly.

Qualified candidates can submit a cover letter and resume to:
