

## **Seasonal Cellar Hand**

R. Stuart & Co. is seeking a talented and enthusiastic Seasonal Cellar Hand to join our team. Starting as early as May 1<sup>st</sup> and working through Harvest, closing out the season at the end of November with the possibility of full time employment. You will get to see bottling, blending, vineyard estimates and sampling, harvest prep, as well as a full harvest experience. We are a small family owned and operated winery in the heart of the Willamette Valley producing world class Pinot Noir, Sparkling wines, Chardonnay, and more for 22 years. The role of Cellar Hand will work directly with and report to the Production Wine Maker along with our owner and Lead Winemaker, Rob Stuart.

### **Responsibilities include, but are not limited to:**

- All winemaking activities from vineyard to bottle
- Execute work orders and prioritize tasks with high level of independence
- Follow operational procedures and controls for efficiency and safety
- Complete cellar sanitation and maintenance
- Clean and/or sterilize tanks, hoses, pumps, and other related winemaking equipment
- Barrel related activities: Moving barrels, filling, emptying, topping, additions
- Accurately perform treatment of wines as directed
- Participate in winery events as needed and represent the winery outside of the cellar
- Help to maintain general cleanliness and good sanitation in wine processing and bottling areas
- Assist Tasting Room staff with inventory movements, winery tours, and education

### **Qualifications**

- Passion for wine and wine making
- Strong Forklift driving and barrel movement acumen
- Commitment to excellence and high standards
- Strong organizational, problem-solving, and analytical skills; able to manage priorities and workflow
- Versatility, flexibility, and a willingness to work within constantly changing priorities with enthusiasm
- Acute attention to detail
- Enjoy working in a Team environment
- Strong computer proficiency and data entry experience

### **Physical Requirements**

- Moderate to heavy physical work
- Standing for long periods of time
- Exposure to various chemicals in production areas
- Exposure to machinery, forklifts and related production equipment
- Long and irregular hours during peak periods or on various shifts
- Must be able to move up to 55 lbs.
- Works outdoors/indoors in cold/warm climates

**Compensation:** Hourly/Overtime rate based on experience

- Wine purchases at employee pricing
