

The Walls Vineyards is seeking enthusiastic, hard-working professionals to join us in the cellar for the upcoming 2022 vintage.

Located near the heart of downtown Walla Walla, The Walls has the honour of working with a variety of highly esteemed vineyards in Washington and Oregon including our sustainably farmed estate vineyards in The Rocks District and Yakima Valley AVAs.

Our seasonal harvest employees will be trained and trusted to carry out a variety of tasks. These may include:

- Daily fermentation management and analysis
- Fruit sorting
- Equipment setup and break down
- Barrel maintenance, filling, and topping
- Lots of cleaning

Our goal is to make meaningful, site driven wines every year. To do this, we foster an educational and enjoyable environment where your hard work, positivity, and desire to learn is valued. Under the close supervision of the winemaking staff, you will gain valuable and career-shaping experience in the winemaking world.

We provide competitive wages and meals throughout harvest and can assist in locating housing for out of state applicants.
